City of Thorp Tourism Commission Guidelines for Applying for Funds

- The Tourism Commission meets regularly 4 times per year on the first Wednesday of February, May, August, and November.
- By policy, the Tourism Commission shall consider requests for funding only in advance of an event or commencement of a project— please plan ahead to have your requests filed at City Hall at least 2 weeks prior to a regularly-scheduled meeting.
- By state law, in order for an event or project to be eligible for funding by the Tourism Commission, it must be reasonably likely to create overnight stays at one of our hotels/motels.
- New or recently established events or projects will receive funding priority. Recurring events or projects shall continue to be considered for funding, but should be making every effort to move towards self-sustaining financial practices.
- The Tourism Commission prefers for a representative of the group applying for the funds to attend the meeting at which their application is being considered.
- The Tourism Commission, at its discretion and in unique circumstances, may choose to approve funding requests not falling within the parameters of these guidelines
