**OLD BUSINESS**

5. Award bid for Well #15 project  
Randy Sanford from SEH was on hand, and explained that the bids had come in quite a bit higher than anticipated, due to the discovery that the entire SCADA system needed to be upgraded. The DNR had agreed, at minimum, to loan the additional funds at .99% interest. SEH and staff would be working with the DNR in hopes of having the additional scope of work amended to be covered by the 60% grant funding. Reeg explained that because the DNR had also agreed to finance the emergency Washington Street water project, the interest savings on that project outweighed the overage on this project and the water utility would not be exposed even further to debt.  
M/M/S (Wnek, Smriga) to award the bid to Haas Sons Inc. for \$381,768 (the low bidder of 3 bids). Carried unanimously.
6. Ordinance 2015-02-1 “An Ordinance Creating Sections 12-5-7 and 12-5-8 of the City of Thorp Code of Ordinances Regarding Murals and Application Fees”

M/M/S (Baumgarten, Lawcewicz) to adopt the resolution. Carried unanimously.

The need for these projects had been discussed previously last fall. It was agreed by general consensus to place the projects out for bids to be approved in March.
